TRANSACTIONS

OF THE

ILLUMINATING ENGINEERING SOCIETY

FOUNDED IN LONDON 1909 INCORPORATED 1930.

INDEX

Vol. III

Nos. 1—12

Jan.—Dec. 1938

AUTHORS' INDEX

PAGE

A

ACKERLEY, R. O., on Lighting for Special Industrial Purposes ... 13
Decorative Materials and their Response to Light ... 39, 46
ALLDRED, F. C., on Lighting for Special Industrial purposes ... 13
ANDERSON, S., on **Lighting for Special Industrial Purposes** ... 13
ANDERSON, J. T., on Luminescent Materials and their Application to Light Sources ... 125
ANGUS, T. C., on Lighting, Heating, and Ventilating Problems ... 108

B

BAKER, P., on Relighting the Borough of Wandsworth ... 136
BARTON, P. S., on Lighting for Special Industrial Purposes ... 14
BENTHAM, F. P., on Decorative Materials and their Response to Light ... 43
BEUTTELL, A. W., on Decorative Materials and their Response to Light ... 43
BICKNELL, C. R., on the Report of the Departmental Committee on Street Lighting ... 73
BUCKLEY, H., on The Photometry of Projectors 62

C

CHANDLER, DEAN, on **Incandescence Gas Lighting** ... 21, 34
CHIVERS, E. W., on The Photometry of Projectors 60
CHRISTOPHER, J. G., on Decorative Materials and their Response to Light ... 45
COLLIER, L. J., on **Visual Telephotometry** ... 141
COTTERILL, H. M., on Decorative Materials and their Response to Light ... 45
CUNNINGTON, A., on Incandescence Gas Lighting 32
The Report of the Departmental Committee on Street Lighting ... 75
Lighting, Heating, and Ventilating Problems 109
Relighting the Borough of Wandsworth ... 135
Revealing Power in Street Lighting ... 202

D

DAVIES, L. J., on Luminescent Materials and their Application to Light Sources ... 125
DOBELL, C. H., on Relighting the Borough of Wandsworth ... 137
DOW, J. S., on Lighting for Special Industrial Purposes ... 13
Incandescence Gas Lighting ... 33
Decorative Materials and their Response to Light ... 45
The Photometry of Projectors ... 61
The Report of the Departmental Committee on Street Lighting ... 75
Luminescent Materials and their Application to Light Sources ... 126
Revealing Power in Street Lighting ... 202
DOWNING, G. L. A., on Relighting the Borough of Wandsworth ... 136

PAGE

DUFTON, A. F., on Lighting, Heating, and Ventilating Problems ... 107
DUNBAR, C., on **Necessary Values of Brightness Contrast in Artificially Lighted Streets** 187, 203

E

ELFORD, E. J., on **Relighting the Borough of Wandsworth** ... 131, 137
ENGLISH, Dr. S., on Lighting for Special Industrial Purposes ... 13
Incandescence Gas Lighting ... 34
Report of the Departmental Committee on Street Lighting ... 71
Relighting the Borough of Wandsworth ... 135
Revealing Power in Street Lighting ... 200, 203
EVANS, Col. C. H. S., on The Photometry of Projectors ... 61
Visual Telephotometry ... 152

G

GILCHRIST, W., on Lighting, Heating, and Ventilating Problems ... 109
GOOD, P., on Relighting the Borough of Wandsworth ... 135

H

HAMPTON, Dr. W. M., on **The Photometry of Projectors** ... 53, 62
HARCOMBE, S., on The Photometry of Projectors 60
Visual Telephotometry ... 153
HIGGINS, A. G., on Relighting the Borough of Wandsworth ... 136
HOLMES, J. G., on **The Calculation of Light Output from Opal Fittings** ... 87
HOPKINSON, R. G., on Revealing Power in Street Lighting ... 201

J

JELLEY, G., on Lighting for Special Industrial Purposes ... 13

L

LAMPLOUGH, F. E., on Luminescent Materials and their Application to Light Sources ... 125
LINGARD, H., on Lighting, Heating, and Ventilating Problems ... 109

M

MASTERS, C. O., on Decorative Materials and Their Response to Light ... 44
MINCHIN, L. T., on Revealing Power in Street Lighting ... 201
MURRAY, E. W., on Lighting for Special Industrial Purposes ... 13, 14

N

NASH, Dr. E. H. T., on Lighting, Heating and Ventilating Problems ... 110
NOBLES, W., on Lighting, Heating, and Ventilating Problems ... 107

O

PAGE

OAKES, P. R. G., on Lighting, Heating, and Ventilating Problems 109
OATES, D., on Lighting for Special Industrial Purposes 14

P

PATERSON, Dr. C. C., on Revealing Power in Street Lighting 200
PATMORE, S., on The Report of the Departmental Committee on Street Lighting 73
Luminescent Materials and their Application to Light Sources 126
PENNY, J., on Lighting for Special Industrial Purposes 13
PERRIN, E. S., on The Report of the Departmental Committee on Street Lighting 74
Revealing Power in Street Lighting ... 201
PRESTON, J. S., on Decorative Materials and their Response to Light 45
Revealing Power in Street Lighting 202

R

RAFFÉ, W. G., on Decorative Materials and their Response to Light 44
RILEY, T. N., on The Report of the Departmental Committee on Street Lighting 73
RYDE, J. W., on **Luminescent Materials and their Application to Light Sources** 114, 127

S

SANDEMAN, D. G., on Revealing Power in Street Lighting 201
SAWYER, K. F., on Incandescence Gas Lighting ... 33
SMITH, F. C., on Lighting for Special Industrial Purposes 14
Incandescence Gas Lighting 32
The Photometry of Projectors 62
The Report of the Departmental Committee on Street Lighting 72

PAGE

Illumination Levels and Comfort Conditions as Applied to the Lighting, Heating, and Ventilating Problem 95, 111
Relighting the Borough of Wandsworth ... 137
Reflection Factors and Revealing Power 196, 203
STEVENS, W. R., on **Lighting for Special Industrial Purposes** 3, 14
STEWART, E. J., on The Report of the Departmental Committee on Street Lighting ... 71
STROUD, E., on The Report of the Departmental Committee on Street Lighting 74
SUTHERLAND, R. O., on Luminescent Materials and their Application to Light Sources ... 126

T

TURNER, H. J. A., on The Photometry of Projectors 61

W

WALDRAM, J. M., on The Photometry of Projectors 60
Relighting the Borough of Wandsworth ... 137
Visual Telephotometry 153
A Gauge for Siting Light Sources on Bends 155
A Scale for Plotting Intensity Distribution of Street Lighting Lanterns 165
Revealing Power of Street Lighting Installations 173, 204
WALDRAM, P. J., on Lighting, Heating, and Ventilating Problems 110
WALSH, J. W. T., on The Photometry of Projectors 59
The Report of the Departmental Committee on Street Lighting 66, 75
Revealing Power in Street Lighting 201
WHIPPLE, F. J. W., on Visual Telephotometry ... 153
WILSON, G. H., on Decorative Materials and their Response to Light 45
The Report of the Departmental Committee on Street Lighting 73
Lighting, Heating, and Ventilating Problems 110
Luminescent Materials and their Application to Light Sources 125

Subjects of papers and addresses appear in thick type.

SUBJECT INDEX

A

Annual General Meeting, Proceedings at the ... 78

B

Brightness Contrasts in Artificially Lighted Streets, Necessary Values of 187, 203

C

Council, Report of 79

D

Decorative Materials and their Response to Light 39

E

Election of Officers and Council 18
Exhibits at the Opening Meeting 162

G

Gas Lighting, Incandescence 21

I

Illumination, Recommended Values of 123
Illumination, Levels and Comfort Conditions ... 95
Industrial Lighting 3

L

PAGE

Light Output from Opal Fittings, Calculation of 87
Luminiscent Materials and their Application to Light Sources 114

M

Meetings and Events, Notes on Recent 2, 19, 20, 38, 50, 86, 157, 160, 172
Membership, Applications for 2, 20, 47, 50, 86, 163, 206

O

Obituary:
John R. Hepple 51

P

Photometry of Projectors 52

R

PAGE

Reflection Factors and Revealing Power 196
Revealing Power of Street Lighting Installations 173

S

Siting of Light Sources on Bends, A Gauge for 155
Street Lighting, Report of the Departmental Committee on 66
Street Lighting Lanterns, A Scale for Plotting Intensity Distribution of 165

T

Telephotometry, Visual 141

W

Wandsworth, The Relighting of the Borough of 131

SPRING BINDERS FOR TRANSACTIONS.

Spring Binders, to contain Transactions, are obtainable by Members at the price of Two Shillings and Sixpence each. (Price to Non-Members, Three Shillings and Sixpence each.)
